What is Cub Scouting

Cub Scouting is a year-round family-oriented part of the BSA program designed for boys who are in first through fifth grades (or are 7, 8, 9, and 10 years of age). Parents, leaders, and organizations work together to achieve the 12 core values of Cub Scouting:

Citizenship

Compassion

Cooperation

Courage

Faith

Health and Fitness

Honesty

Perseverance

Positive Attitude

Resourcefulness

Respect

Responsibility

Where do I belong?

The pack is divided into smaller groups called dens and are grouped by age or grade.

Dens are lead by Den Leaders and usually meet at least twice a month.

First Grade

Third Grade

Second Grade

Fourth & Fifth Grade

Why join Cub Scouts

Cub Scouts is Fun!

The boys have a chance to work together and learn skills that help them grow into good citizens who are strong in character and personally fit.

There are Pack meetings where all the boys get together to be recognized for their achievements. Recognition is important to boys. The advancement plan provides fun for the boys, gives them a sense of personal achievement as they earn badges, and strengthens family understanding as adult family members work with boys on advancement projects.

Activities such as Camping, Pinewood Derby, Day Camp, and much more.

What do Cub Scouts do?

Camping: Age appropriate family camping takes you on exciting adventures into the natural world. Learn to live outdoors.

Field Trips: Visits to Police or Fire Stations, nature hikes, orienteering, geocaching, conservation activities, and other group activities.

Activities: Pinewood Derby, Space Derby, Rain Gutter Regatta, pool party, roller skating, bowling, and more

Blue and Gold Banquet: In February, when Scouting celebrates its "birthday", packs across the country hold Blue and Gold banquets. Fifth grade boys bridge into Boy Scouts

And many more activities within their own Dens.
